THE RIVER MILE METROPOLITAN DISTRICT NO. 3
2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized on February 14, 2019 by order and decree of the District Court for the City and County of Denver, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located in the City and County of Denver, Colorado.

The River Mile Metropolitan District No. 3 was organized in conjunction with five other metropolitan districts, The River Mile Metropolitan District Nos. 1,2,4,5 and The River Mile Platte Valley Metropolitan District. The River Mile Metropolitan District No. 1 (the Management District) was organized to finance, construct, own, manage, and operate district improvements, including streets, traffic and safety protection, water, limited sewer and storm drainage, transportation, mosquito control, and park and recreation improvements for the use and benefit of the inhabitants and taxpayers of the District. The River Mile Metropolitan District Nos. 2-5 and The River Mile Platte Valley Metropolitan District were organized to generate revenue to pay the costs of the district improvements.

On November 6, 2018, the District's voters authorized general obligation indebtedness of \$8,645,000,000. This includes \$6,650,000,000 for District improvements, \$665,000,000 for operating and maintenance debt, \$665,000,000 for refunding debt and \$665,000,000 for intergovernmental agreements as debt. The District's Service Plan authorized the district to impose a combined mill levy not to exceed 60 mills for the payment of debt and operating and maintenance expenses.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Pursuant to the Service Plan, the District is allowed to adjust its maximum Required Mill Levy of 50.000 mills for changes in the ratio of actual to assessed value of property within the District. As of December 31, 2025, the adjusted maximum mill levy for debt service is 52.218 mills.
